Dear Hermes Creative Awards Entrant:

Congratulations! Based on the evaluation of our judges, you are an award recipient in the 2019 Hermes Creative Awards competition.

Hermes Creative Awards is an international competition for creative professionals involved in the concept, writing, and design of traditional and emerging media. Hermes Creative Awards recognizes outstanding work in the industry while promoting the philanthropic nature of marketing and communication professionals.

Hermes Creative Awards is administered by the Association of Marketing and Communication Professionals (AMCP). The international organization consists of several thousand marketing, communication, advertising, public relations, digital media production, and freelance professionals. AMCP oversees awards and recognition programs, provides judges, and awards outstanding achievement and service to the profession.

As part of its mission, AMCP fosters and supports the efforts of creative professionals who contribute their unique talents to public service and charitable organizations. Hermes entrants are not charged to enter work they produced pro bono. Over the past few years, AMCP's Advisory Board has given out over \$250,000 in grants and donations to support philanthropic endeavors.

Judges are industry professionals who look for companies and individuals whose talent exceeds a high standard of excellence and whose work serves as a benchmark for the industry.

Being a Platinum or Gold Winner is a tremendous achievement that is symbolized by the intricately detailed Hermes Platinum and Gold awards.

Again, congratulations on your achievement. We look forward to hearing from you soon.
